

REMARKS

Originally filed claims 1-100, 102, 109-111, 118-119, 123-125, and 129-167 are withdrawn from consideration as being drawn to a separate and patentably distinct invention and will be prosecuted in a divisional or continuation application. Claims 101, 103-108, 112-117, 120-122 and 126-128 represent a patentable contribution to the art and the application is believed to be in condition for allowance. Early and favorable action is respectfully requested.

Respectfully submitted,

Date: November 26, 1999
